SUBJECT No 636.

Sale of ~~foreign liquors~~ arrack.

Mr. Kalle Gowda, Mudgere taluk.

Summary of Representation.—~~Foreign liquor~~ Arrack contractors are sustaining loss in view of the rate of 0-12-10 fixed by Government To recoup the same liquors are often diluted. It is prayed therefore that liquors be sold in sealed bottles the price being fixed at 8 annas instead of 2 annas per dram

DIARY NO. 5198

[illegible] 14

[illegible] SR

1813

This representation relates to arrack and not to foreign liquor In view of the margin of profit and the selling rates therein referred to the cost price of arrack per gallon ~~[illegible]~~ to be paid by the licensee was Rs 5-9-2 while the selling rate was Rs 6-6-0

It may perhaps be very inconvenient to sell a dram in bottles as suggested by the member The present practice is only to sell sugarcane/jaggery arrack in pint & quart bottles throughout the State and molasses arrack in the Kolar Gold Fields area

Offg: *Secretary to the Government of*
His Highness the Maharaja of Mysore,

SIR,

Adverting to your letter No. Fl 282/S.R.183-13, dated the 21st July 1914 regarding Dassara Representative Assembly Subject No. 636 of 1913 anent the sale of arrack in bottles etc. I have the honor to state that the representation dealt with in subject No 636 starts with a reference to Foreign Liquor and ends with a recommendation for the sale of "liquor" presumably country i e molasses arrack in bottles priced at annas 3 per dram The connection between the two is therefore not clear But assuming that the reference is to country liquor only it seems to me that it will not be worth the additional expense and trouble which will be entailed if the proposal is given effect to. I am therefore, of opinion that the proposal which sounds fairly well and reads plausible on paper is yet, not one that is feasible or desirable.

I have the honor to be,
Sir,
Your most obedient servant
